Form 990, Part I, Line 1 - Organization Mission or Significant Activities

The organization informed, educated and provided technical assistance to tobacco control leaders, governmental and non-governmental agencies, the media, educators, parents and the general public about smokefree air and secondhand smoke issues through its website, newsletters and bulletins, listservs, individualized technical assistance, presentations, trainings and public speaking engagements at video conferences and video seminars throughout the country.

ANRF also analyzed tobacco law documents which resulted in new data being inputted into its U.S. Tobacco Control Laws Database. Reports and data runs from the database were used to assist researchers, communicate smokefree trends and the status of smokefree laws to the media and the public. This program also collected and catalogued new documents for inclusion in the organization's expanded Tobacco Industry Tracking Database and related website.
