

## 100% Smokefree Nursing Homes

January 1, 2024

Several US states/territories and many municipalities have enacted **100% smokefree laws for all indoor areas of nursing homes, including common areas and private rooms**, in order to protect employees, patients, and visitors from secondhand smoke exposure. Additionally, some nursing homes have adopted their own such policies.

**+ = entire campus is smokefree, including all outdoor areas.**

**Please note: this is a partial list.** If you know of smokefree nursing home laws or policies that are currently not listed, please contact ANR Foundation at [info@no-smoke.org](mailto:info@no-smoke.org) or (510) 841-3032 with that information.

**These laws and policies have been adopted but are not necessarily yet in effect.**

### STATE/TERRITORY LAWS

The following **11 states/territories** have enacted laws requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms (+ = entire campus is required to be smokefree, including all outdoor areas):

Arizona	Montana	Puerto Rico
Connecticut	New Jersey	Washington
Indiana	North Carolina	Wisconsin
Michigan	North Dakota	

NOTE: In 2018, **Alaska**'s legislature enacted a law requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms, however, due to a provision in the law allowing local jurisdictions to opt-out of the state's protections, Alaska is not listed above.

## MUNICIPALITIES

The following **463 municipalities** have enacted laws requiring 100% smokefree indoor areas of nursing homes, including common areas and private rooms (+ = entire campus is smokefree, including all outdoor areas):
