

100% Smokefree Nursing Homes

January 1, 2025

Several US states/territories and many municipalities have enacted **100% smokefree laws for all indoor areas of nursing homes, including common areas and private rooms**, in order to protect employees, patients, and visitors from secondhand smoke exposure. Additionally, some nursing homes have adopted their own such policies.

+ = entire campus is smokefree, including all outdoor areas.

Please note: this is a partial list. If you know of smokefree nursing home laws or policies that are currently not listed, please contact ANR Foundation at info@no-smoke.org or (510) 841-3032 with that information.

These laws and policies have been adopted but are not necessarily yet in effect.

STATE/TERRITORY LAWS

The following **11 states/territories** have enacted laws requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms (+ = entire campus is required to be smokefree, including all outdoor areas):

Arizona
Connecticut
Indiana
Michigan

Montana
New Jersey
North Carolina
North Dakota

Puerto Rico
Washington
Wisconsin

NOTE: In 2018, **Alaska**'s legislature enacted a law requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms, however, due to a provision in the law allowing local jurisdictions to opt-out of the state's protections, Alaska is not listed above.

MUNICIPALITIES

The following **468 municipalities** have enacted laws requiring 100% smokefree indoor areas of nursing homes, including common areas and private rooms (+ = entire campus is smokefree, including all outdoor areas):

In creating the table immediately above, the American Nonsmokers' Rights Foundation relied on information found on the Internet, information in news articles, and information obtained from other tobacco prevention agencies. This information is accurate to the best of our knowledge; however, there may be some discrepancies due to incomplete information.

ANR Foundation maintains a database of over 20,000 tobacco control laws in nearly 6,000 communities. We catalog laws regulating smoking and vaping in public places, e-cigarette and marijuana sales, and more. We work hard to get our data to researchers doing good work. For information about licensing our datasets, contact TobaccoLawsDatabase@no-smoke.org.
