[^]By law, some cities and counties do not have freestanding bars. Note that such places are still included here, since the law provides smokefree protections in all existing venues.

⁺Law pertains to both incorporated and unincorporated areas of county.

^{*}Includes both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses.

^{**}Includes any attached bar in the restaurant.

Only laws reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular law may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the law.
