By law, some cities and counties do not have freestanding bars. Note that such places are still included here, since the law provides smokefree protections in all existing venues.

Law pertains to both incorporated and unincorporated areas of county.

Only laws reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular law may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the law.

May be reprinted with appropriate credit to the American Nonsmokers’ Rights Foundation.
