Currently in effect as of July 1, 2018

Note: The jurisdiction(s) affected by county-level laws vary widely. Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.

By law, some cities and counties do not have freestanding bars. Note that such places are still included here, since the law provides smokefree protections in all existing venues.

Law pertains to both incorporated and unincorporated areas of county.

*Includes both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses.

**Includes any attached bar in the restaurant.

Only laws reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular law may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the law.
