Smokefree and Tobacco-Free U.S. and Tribal Colleges and Universities
October 2, 2017

There are now at least **2,064** 100% smokefree campus sites. Of these, **1,736** are also 100% tobacco-free, **1,649** also prohibit e-cigarette use, **845** also prohibit hookah use, and **209** also prohibit smoking/vaping marijuana.

The following three lists include colleges and universities with **entirely** smokefree campus sites (both indoors and outdoors) at a minimum (additional 100% protections -- E-cigarettes, hookah, and/or marijuana -- are indicated where applicable):

- 1. American Indian/Alaska Native Colleges Requiring 100% Smokefree Campuses**
- 2. U.S. State Laws Requiring 100% Smokefree Campuses**
- 3. All: Both lists above, plus U.S College/University 100% Smokefree Campus Policies**

Visit our Smokefree Colleges & Universities resource page at <http://www.no-smoke.org/colleges.html> for more information. To learn about our specific qualification criteria, see our Tip Sheet: <http://no-smoke.org/pdf/CollegeCampusCriteriaTipsheetFinal.pdf>.

These policies have been enacted but are not necessarily yet in effect. Please contact the school itself to verify the status of its policy. Note that some multi-campus educational systems adopt a centralized policy that applies to all campuses; other systems allow each individual campus to adopt its own policy.
