NEW

TRAINING RESOURCES + ALL-INCLUSIVE PROACCESS PRICING

ANR Foundation is excited to announce two new online trainings and simplified, all-inclusive pricing for our complete learning library.

NEW

SELF-PACED TRAININGS

BUILDING CAPACITY FOR SMOKEFREE MULTI-UNIT HOUSING

A comprehensive four-part virtual training for tobacco prevention staff, public health partners, and advocates new to smokefree housing work. Led by experts Liz Williams and Char Day, this training covers getting started, community outreach, engaging housing providers, and implementation strategies. Includes presentations, worksheets, guest interviews, and practical resources.

OVERCOMING BARRIERS:

ADVOCACY VS. EDUCATING VS. LOBBYING

A focused 40-minute training that builds confidence in legal public health advocacy. Learn to distinguish between advocacy, education, and lobbying; understand what's allowable for tobacco control grantees; and overcome common misconceptions about engaging legislators. Features interactive elements, real-world examples, and practical scenarios.

Effective Advocacy

Education and creating awareness	<ul style="list-style-type: none"> • Legislators & Decision Makers • General Public
Communicate policy impact	<ul style="list-style-type: none"> • Updating members on status of legislation • Training • Voicing perspective on issue
