

## States, Commonwealths, and Municipalities with 100% Smokefree Laws in Non-Hospitality Workplaces, Restaurants, or Bars

Currently in effect as of January 1, 2025

Local laws generally pave the way for state and commonwealth laws. The states and commonwealth listed below had, in many instances, a high percentage of the population covered by strong city and county laws before the state or commonwealth law was enacted. To see a complete list of these local laws, as well as summary totals of all 100% smokefree laws, please go to [Municipalities with Local 100% Smokefree Laws](#).

For information on e-cigarettes, visit our [e-cigarette resource page](#).

**Note: The jurisdiction(s) affected by county-level laws vary widely. Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.**

### Non-Hospitality Workplaces

Only laws that do not allow smoking in separately ventilated rooms and do not have size exemptions are listed here. Includes both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses.

#### All non-hospitality workplaces in these states and commonwealths are smokefree:

### Bars

Only places with laws that do not allow separately ventilated smoking rooms and do not have size exemptions are listed here. Also, places that either prohibit freestanding bars by law or do not have bars by happenstance are not included on this list. If you don't see a community that you know has smokefree bars, please give our offices a call at (510) 841-3032.

#### All bars in these states and commonwealths are smokefree:

\*Law pertains to both incorporated and unincorporated areas of county.

**Only ordinances reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular ordinance may be the result of differences of opinion in interpretation, or because staff have not yet analyzed the ordinance.**

ANR Foundation maintains a database of over 20,000 tobacco control laws in nearly 6,000 communities. We catalog laws regulating smoking and vaping in public places, e-cigarette and marijuana sales, and more. We work hard to get our data to researchers doing good work. For information about licensing our datasets, contact [TobaccoLawsDatabase@no-smoke.org](mailto:TobaccoLawsDatabase@no-smoke.org).
