States, Commonwealths, and Municipalities with 100% Smokefree Laws in Non-Hospitality Workplaces, Restaurants, or Bars
Currently in effect as of October 1, 2021

Local laws generally pave the way for state and commonwealth laws. The states and commonwealth listed below had, in many instances, a high percentage of the population covered by strong city and county laws before the state or commonwealth law was enacted. To see a complete list of these local laws, as well as summary totals of all 100% smokefree laws, please go to Municipalities with Local 100% Smokefree Laws.

For information on e-cigarettes, visit our e-cigarette resource page.

Note: The jurisdiction(s) affected by county-level laws vary widely. Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.

Non-Hospitality Workplaces
Only laws that do not allow smoking in separately ventilated rooms and do not have size exemptions are listed here. Includes both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses.

### All non-hospitality workplaces in these states and commonwealths are smokefree:
