Municipalities with Local 100% Smokefree Laws
Currently in effect as of October 1, 2018

Note: The jurisdiction(s) affected by county-level laws vary widely. Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.

Only municipalities with ordinances or regulations that do not allow smoking in attached bars or separately ventilated rooms and do not have size exemptions are listed here. A state or local municipality can pass a Non-Hospitality Workplace*, Restaurant**, or Bar law, or any combination of the three. For state law information, please see the last pages.
