RESEARCH BIBLIOGRAPHY

This partial bibliography of studies is provided for informational purposes only. It should not be considered to replace medical advice from your physician, nor should it be considered as a list of every existing study on this topic. The ANR Foundation is unable to provide copies of any of the studies. Links to either the study’s abstract or full text are provided when available. The citations referenced below are presented without comment regarding the source, including any potential conflict of interest. Due diligence is recommended in researching the source of any given study before relying on its conclusions.

Woo, J., "How place matters for smoking cessation: barriers to smoking cessation among low-income Black women," Health & Place 78: 102925, November 2022.

Rusk, A.M.; Giblon, R.E.; Chamberlain, A.M.; Patten, C.A.; Felzer, J.R.; Bui, Y.T.; 
Wi, C.I.; Destephano, C.C.; Abbott, B.A.; Kennedy, C.C., "Smoking behaviors 
among indigenous pregnant people compared to a matched regional cohort," 
Nicotine and Tobacco Research [Online ahead of print], October 17, 2022.

Vance, Jr., S.R.; Boyer, C.B.; Glidden, D.V.; Sevelius, J., "Comparing substance 
use and school-based stressors among Black and Latinx transgender youth 
and peers with shared minoritized identities," Journal of Adolescent Health 
[Online ahead of print], October 9, 2022.

Gerrard, M.; Gibbons, F.X., "Association of non-cigarette tobacco 
advertisements and racial discrimination with non-cigarette tobacco product 
use among Black adults," Nicotine and Tobacco Research [Online ahead of 
print], September 28, 2022.

Thompson, T.; Evbuoma-Fike, E.I.; Garg, R.; McQueen, A.; Caburnay, C.; Kreuter, 
M.W., "Examining psychosocial correlates of a home smoking ban among low-
income smokers: analysis of social support, unmet social needs, perceived 
stress, and depressive symptoms," Journal of Community Health [Online ahead 
of print], August 6, 2022.

Yang, Y.T.; Stratmann, T.; Pillai, D., “Effects of state preemption of local 
smoke-free restrictions on US adult cigarette smoking prevalence, 1997 to 

insecurity and food insecurity among U.S. children with secondhand and 
thirdhand smoke exposure," International Journal of Environmental Research 

Goodwin, R.D.; Sun, M.X.; Cheslack-Postava, K., "Everything old is new again: 
creating and maintaining a population-level ‘shared reality’ of health risks 
associated with cigarette use toward both reducing the prevalence and 
eliminating disparities in cigarette use among all Americans," Nicotine and 

implementing a nicotine product standard," Nicotine and Tobacco Research 
[Online ahead of print], July 22, 2022.

Paciência, I.; Cavaleiro Rufo, J.; Moreira, A., “Environmental inequality: air pollution and asthma in children,” Pediatric Allergy and Immunology 33(6), June 2022.

status with smoke-free homes and cars among daily smokers,” Health Education & Behavior 49(3): 488-496, June 2022.

January 1, 2010.

[n.a.], "Reported secondhand smoke exposure in the home among Americans," Journal of the National Cancer Institute 100(18): 1278, September 17, 2008.
