

## Smokefree and Tobacco-Free U.S. and Tribal Colleges and Universities

April 1, 2022

There are now at least **2,604** 100% smokefree campus sites. Of these, **2,169** are 100% tobacco-free, **2,243** prohibit e-cigarette use, **1,221** prohibit hookah use, **573** prohibit smoking/vaping marijuana, and **625** explicitly include personal vehicles on campus in the policy protections.

The following three lists include colleges and universities with **entirely** smokefree campus sites (both indoors and outdoors) at a minimum (additional 100% protections -- E-cigarettes, hookah, and/or marijuana -- are indicated where applicable):

1. American Indian/Alaska Native Colleges Requiring 100% Smokefree Campuses
2. U.S. State Laws Requiring 100% Smokefree Campuses
3. All: Both lists above, plus U.S. College/University 100% Smokefree Campus Policies
