

100% Smokefree Nursing Homes

January 2, 2019

Several US states/territories and many municipalities have enacted **100% smokefree laws for all indoor areas of nursing homes, including common areas and private rooms**, in order to protect employees, patients, and visitors from secondhand smoke exposure. Additionally, some nursing homes have adopted their own such policies.

+ = entire campus is smokefree, including all outdoor areas.

Please note: this is a partial list. If you know of smokefree nursing home laws or policies that are currently not listed, please contact ANR Foundation at info@no-smoke.org or (510) 841-3032 with that information.

These laws and policies have been adopted but are not necessarily yet in effect.

STATE/TERRITORY LAWS

The following **10 states/territories** have enacted laws requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms (+ = entire campus is required to be smokefree, including all outdoor areas):

Arizona
Indiana
Kentucky* +
Michigan

Montana
New Jersey
North Carolina
North Dakota

Puerto Rico
Washington

*No effective date certain ("at time established by Secretary of Cabinet for Health and Family Services.").

NOTE: In 2018, **Alaska**'s legislature enacted a law requiring 100% smokefree indoor areas of all nursing homes, including common areas and private rooms, however, due to a provision in the law allowing local jurisdictions to opt-out of the state's protections, Alaska is not listed above.

MUNICIPALITIES

The following **372 municipalities** have enacted laws requiring 100% smokefree indoor areas of nursing homes, including common areas and private rooms (+ = entire campus is smokefree, including all outdoor areas):
