Oakland International Airport is a smoke-free facility

WELCOME TO AUSTIN!

LIVE MUSIC CAPITAL OF THE WORLD

A CLEAN AIR CITY
NO SMOKING

Welcome to Philadelphia International Airport

ALL PUBLIC AREAS ARE SMOKE FREE

Thank You

AMERICAN NONSMOKERS' RIGHTS FOUNDATION

100% Smokefree U.S. Airports
April 1, 2024

In addition to protecting the health of airport employees and patrons, smokefree indoor air policies also benefit airports in other ways. Smokefree airports save money that would otherwise be spent paying for the expensive ventilation equipment, messy filters, and extensive maintenance associated with tobacco industry "ventilation" programs. Furthermore, smokefree airports save precious terminal space, as indoor smoking areas can be used to provide more shops, restaurants, and other amenities. By adopting 100% smokefree indoor air policies, airports choose to save money, space, and most importantly, people's lives.

Below is a **partial** list of U.S. airports that are 100% smokefree indoors, including passenger terminals, airline clubs, and non-public work areas. **There are now at least 635 smokefree airports**, and the list is growing all the time.

For more information, check out our [airports resource page](#).

Alabama
- Birmingham Int'l Airport

Alaska
- All enclosed areas of Alaska's airports are smokefree ^

~ Airports are smokefree indoors due to state law.

^ All enclosed areas of Alaska airports are required to be smokefree by state law, except that designated smoking areas are permitted in the international terminal for passengers who are in transit and are restricted from leaving the airport, and that the Ted Stevens Anchorage International Airport has such a terminal.

Number of airports per state derived from the FAA's Passenger Boarding (Enplanement) and All-Cargo Data for U.S. Airports (updated 8/31/2023): https://www.faa.gov/sites/faa.gov/files/2023-09/cy22-all-enplanements.pdf

Note: If you know of other smokefree airports or if you would like assistance in making your airport smokefree, please call us at (510) 841-3032 or email us at info@no-smoke.org.
